Athletic Surcharge Policy

Monroe Board of Education policy requires each student-athlete to pay a surcharge to participate on an athletic team. This surcharge subsidizes the overall athletic budget, but does not guarantee a student-athlete a specific amount of contest time. Student-athletes participating in a sport must pay an athletic fee of \$250. There is a family cap of \$1,000.

This surcharge is due from each-student athlete seven days following notification that they have made a team. Failure to pay the surcharge will result in the player being declared ineligible to participate. Monroe Board of Education policy waives the surcharge for any student-athlete who is eligible for free or reduced lunch. **There will be no surcharge refunds following the first regular season contest of a sport's season.**

Surcharge Policy - Ice Hockey: Student-athletes participating on Masuk High School's ice hockey team will be responsible for all ice time rental costs incurred for practices and games. ***There will be no additional surcharge to play ice hockey. A student-athlete's contribution to the cost of ice rental time, however, will not be able to be applied to the family cap.***

Payment of Surcharge: A student-athlete's surcharge may be paid by cash, check (payable to Masuk High School), or by credit card using PaySchools. When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

[Click here to make payments using PaySchools.](#)

Athletes will not be allowed to try out or play on a team during the next sport season until all surcharge obligations have been paid in full. An athlete will also be ineligible for any athletic award until all obligations are met.
