## **Concussion Care and Education**

Welcome to the Masuk High School Athletic Department Concussion Education Webpage.

Please find below links that have been posted to help you further understand Masuk High School's Concussion Education Plan, our Return to Play Protocol, and our use of Impact Testing. We have also provided the link to the Connecticut Concussion Task Force Video which is mandatory for all Masuk High School student-athletes and their parents to watch before participating in their season.

For more information concerning concussions, please find additional links below.
